

Worksheet 11 - Supplementary tests for buses and coaches

Entrance and exit doors, emergency exits, passenger grab handles, steps and stair rules and inspection for bus and coach MOT tests.

Although you may not need this section it is still good to know where to look for answers.

Sub-sections

9.1 Doors

9.6 Passenger grab handles

9.7 Steps and stairs

Number	Question	Answer
9.1.1	If you're not sure if there's a 'door open' warning device, you should give?	
9.6	What defect should you record if a passenger grab handle is defective?	
9.7	You must check all passenger stairs on which types of vehicles
